

Small and Simple Awards: August 31, 2009

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09102	Greater Duwamish	Takekawa	Maple Elementary School Mural	Maple Elementary PTSA	No	PSP	\$2,850 *	\$9,644
Description: The theme of the mural is the Maple Creed, "I know that our country was built by people of all races and I know that people of all races keep our country great" will be incorporated into the mural. The subject matter would consist of students, parents and community members of all races in the act of learning and teaching alongside each other.								
S09103	Southeast	Takekawa	Cheasty Greenspace at Mt. View Restoration	Friends of Cheasty Greenspace at Mt. View	No	PLN	\$20,985 *	\$15,000
Description: This project aims to support the ongoing forest restoration efforts of the Friends of Cheasty Greenspace at Mountainview. We want to engage the neighborhood community in a landscape design process, which would result in a trail plan and beautified entrance to the park.								
S09104	Magnolia/QA	Ames	Lower Kinnear Park Enhancement Plan	Friends of Lower Kinnear (FOLKPark)	No	CP	\$16,890	\$15,000
Description: Funds will be used to hire a landscape architect, hold public meetings and develop a conceptual improvement plan for Seattle's historic first park. The Lower Kinnear Enhancement Park Plan will support the community's voice for stronger trail connections, sustained natural setting, increased usage and gain consensus for a preferred plan.								
S09105	Southwest	Ames	Alki Rose Garden and Labyrinth	Alki Outreach	No	PHY	\$30,530 *	\$15,000
Description: A neighborhood ad hoc steering committee wishes to raise funds and organize volunteer labor to create and plant a rose garden of 150 to 200 rose bushes that will surround a 26' diameter labyrinth composed of 2' thick granite paving stones. The rose garden and labyrinth will be located on a 50' x 75' deep parcel of land owned by Alki Congregational United Church of Christ, but will be open and accessible for public use and enjoyment at all times.								
S09106	Central	Lopez	After-School Math and Leadership Camp	Salaam Urban Village Association	No	YVP	\$15,000 *	\$15,000
Description: This project is an effort undertaken by Salaam Urban Village Association for the purpose of developing Youth Leadership through Mathematics.								
S09107	East	Owens	Love our Lake Access (LOLA) Street-End Park Expansion	Madison Park Community Council	No	YVP	\$12,605	\$15,000
Description: Funds will be used to hire a landscape architect to design a comprehensive plan to restore and revitalize publicly-owned land to green space, take advantage of the natural beauty and historical significance of the site and improve the quality, use, and public enjoyment of the waterfront.								
S09109	Lake Union	Ames	46th Street Mural	46th Street Mural Project	No	YVP	\$16,150 *	\$14,951
Description: This project will build community and improve the cityscape by constructing a lasting mural to brighten this underpass, used by thousands of cars and many pedestrians every day. It will create a neighborhood identification linking upper Fremont and Wallingford and deter crime and graffiti by partnering with community members and organizations to sponsor and participate in constructing the mural.								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09110	Southeast	Frankl	Ashia Circle Peer Mentorship & Leadership Training	Ashia Circle	No	YVP	\$29,405 *	\$15,000
Description: Ashia Circle proposes a leadership and mentorship training program for diverse African-descended teenagers (15-18) as part of our group mentoring programs to build familiarity and understanding among teenage girls, decrease gang and neighborhood violence and increase sisterhood and connection.								
S09111	Greater Duwamish	Ruth	Community Playground at Van Asselt Elementary @ AAA	Friends of Van Asselt @ African American Academy	No	RSJ	\$99,004	\$14,975
Description: The community surrounding Van Asselt @ the African American Academy is working to build a new playground in the south end field that can be a neighborhood gathering space. The new playground will not only be used by the 600 students on site, but it will be a valuable resource for the community and the many youth sports organizations in the adjacent neighborhood.								
S09112	Northwest	Ames	A Sensory Garden Among the Roses	Friends of the Rose Garden	No	PHY	\$6,730	\$12,696
Description: This project will create an accessible garden that engages all of the senses to be experienced by everyone. Color, texture, patterns, scents and sounds - swaying grasses and water sounds will be part of a garden that welcomes people with hearing and vision impairments and visitors with limited								
S09113	Southwest	Owens	Camp Long Portable Challenge	Camp Long Advisory Council	No	YVP	\$5,780 *	\$3,000
Description: This project will train 10 local youth leaders to facilitate Challenge Course activities. Structured programming that revolves around a challenge course would allow youth to develop job and life skills such as communication, constructive use of time, teamwork, leadership, positive identity, and other developmental assets that help youth develop into successful members of our								
S09116	Central	Takekawa	Singing our Songs	Multi-Communities Team Project	No	YVP	\$2,580 *	\$4,850
Description: This project will conduct a survey of African American girls and women, ages 14 to 25 from faith communities in South, Central and West Seattle about their awareness and experiences with the impact of domestic and sexual violence.								
S09117	Southeast	Takekawa	Sustainable South Seattle/Climate Coop Feasibility Study	Sustainable South Seattle	No	CP	\$11,580 *	\$14,900
Description: This project is a feasibility study for a "Climate Co-op" in SE Seattle. The Co-op could be a "one-stop-shop" for products, services, and resources to help members reduce their carbon footprint. Co-op services might include customized energy audits, home and business weatherization, and reduced costs for energy efficient appliances and small-scale renewable energy projects.								
S09118	Southeast	Lopez	Seniors and Youth Making Artistic History Together	Youth 180	No	YVP	\$15,000 *	\$15,000
Description: Youth will interview elders about their histories in the neighborhood. These stories will be illustrated in a mural, painted by youth, artist and seniors onto panels, affixed to the center, near where many youth and seniors live. Youth will gain meaningful and constructive work. Seniors' histories and neighborhood will be celebrated.								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09120	Central	Takekawa	Building Bridges: Addressing Violence through Understanding of Culture and Identity	Nonprofit Assistance Center	No	YVP	\$7,665 *	\$15,000
Description: This project engages African American, East African and Latino/a youth of African descent and their parents in dialogues and activities to confront violence caused in part by the lack of understanding of issues based around identity and culture. Selected youth leaders will be instrumental in program planning and implementation which will result in a community summit.								
S09121	East	Ruth	Howell Collective Garden	Howell Collective	No	CP	\$14,846 *	\$15,000
Description: The Howell Collective Garden project is a collective gardening endeavor that will be administered by the Department of Neighborhoods P-Patch program, but maintained by members. The project is open to the entire community around 16th & East Howell Street and will invite people to plan, plant, maintain, and harvest the 30 by 100 foot garden installation. Thus far the project has brought together architects, community organizers, contractors, gardeners, and gardeners-to-be in efforts								
S09124	Lake Union	Ames	Wallingford Community Center	Community Center Steering Committee	No	PLN	\$10,950	\$15,000
Description: This project will develop a financial support model and conduct planning activity (i.e., convert completed needs analysis to design requirements) for a community center, review potential sites and develop cost projections for construction and operation. Hold two public meetings and additional committee meetings. Prepare and distribute a final report recommending future community course of action. Build community by wide participation in the project.								
S09125	Central	Frankl	PongoSpeaks! To Seattle	PongoSpeaks!	No	YVP	\$10,605 *	\$15,000
Description: PongoSpeaks! is a collaboration between Pongo Publishing and Youth Speaks Seattle that will bring the voices of violence-impacted youth to Seattle. One track is a series of performances by Youth Speaks artists and another track is a series of writing workshop-discussions in the community concerning the impact of youth violence.								
S09127	Southeast	Takekawa	Othello Parks Alliance Community Input	Othello Parks Alliance	No	PLN	\$7,500 *	\$15,000
Description: This project would enable the neighborhood of Othello to gather community input as to improvements it wishes to make to three local parks (Othello, John C. Little, and Van Asselt). These parks are in the heart of a neighborhood that is making a big turn around, but one that is still plagued with lack of attention, lack of planning, lack of community involvement and safety issues. Recently, the three "Friends of" groups for these parks have combined efforts to help look at a wider picture of park improvements in the neighborhood.								
S09128	Northeast	Ruth	Laurelhurst Park Playground Renovation (Design Phase)	Play it Safe at Laurelhurst Playground	No	PLN	\$10,420 *	\$15,000
Description: This project will bring together neighbors for a series of community meetings/workshops designed to help to maximize the City's \$400,000 allocated for new playground equipment. We will establish the needs/wants of the community, participate in community outreach, hire a designer and decide on the final design for new playground equipment.								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09129	Downtown	Ames	Trail to Treasure: Phase Two	Pioneer Square Community Association	No	PLN	\$4,895	\$4,700
Description: We will host a design workshop for a project developed to create a conceptual plan for a recreational and interpretive trail through Seattle's historic Pioneer Square neighborhood. From that workshop, we will draft and finalize a plan and accompanying brochures to distribute to stakeholders. These documents will be used to encourage formal adoption by appropriate entities.								
S09135	Greater Duwamish	Lopez	Mariachi Seattle Azteca	Mariachi Seattle Azteca	No	RSJ	\$26,300	\$5,050
Description: Mariachi Seattle Azteca is a youth led traditional Mariachi ensemble that performs free of charge at public events in the Seattle and King County area. Their music unites community members and celebrates the deep traditional roots of Mexico in music, song and costume.								
S09137	Greater Duwamish	Ames	Georgetown Winter Arts Celebration	United Artists of Georgetown	No	NON	\$3,750 *	\$6,054
Description: The United Artists of Georgetown will bring together the community for an evening to celebrate connectedness and creativity in our neighborhood. Music, art and culinary creations are the feature for this unique showcase that is designed to support a youth arts organization, while joining residents and business owners with local talent.								
S09138	Southeast	Lopez	Mural at Rainier Beach High School	Urban Artworks	No	YVP	\$1,080 *	\$2,500
Description: This project will paint one large mural on three walls of the main entrance of the high school where students and community members enter daily. It will engage at-risk students from Youth 180 as artists, spending their after-school hours in a productive and creative environment. Students, staff and community will help envision and approve the design.								
S09139	Magnolia/QA	Ames	Dexter Way North Mural	Queen Anne Murals	No	RSJ	\$19,940 *	\$15,000
Description: The Dexter Way North Mural Project's goal is to ensure community members of the different ages, ethnicities and backgrounds join to enhance pedestrian safety, minimize blight, and contribute to the natural environment by reactivating, cleaning and beautifying a dim "threatening" graffiti covered underpass in a heavily traveled, secluded, but potentially lovely, Queen Anne greenbelt.								
S09140	Southeast	Takekawa	Rainier Beach Learning Garden	Steering Committee of the Rainier Beach Learning Garden	No	RSJ	\$17,835	\$14,992
Description: Phase 2 of the project includes focused outreach efforts to ensure community input in the design, development and construction of hardscape on the remainder of the 1/4 acre site on Parks land, the purchase of plants and materials, and installation of the plants.								
S09141	Greater Duwamish	Frankl	Project Launch	East African Community Services	No	YVP	\$7,390 *	\$14,000
Description: Youth in our community say that violence and gangs are their biggest challenges and regular youth gatherings their best support. East African Community Services and OneVoice will offer open mic nights, poetics workshops, and college exposure to gather youth and launch them towards a successful future outside the gang cycle.								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09142	Greater Duwamish	Lopez	Padre a Padre DVD	Voces Latinas	No	RSJ	\$12,800 *	\$14,780
Description: This project will bring information about the education system through a 30-minute DVD. A community kick-off event and forum for Spanish speaking bilingual families will be held. A website will be created maintaining links for parent involvement tools, creating educational You Tube videos, a blog and connecting the community via Facebook.								
S09143	Lake Union	Ames	The Troll's Knoll	Friends of the Troll's Knoll	No	CP	\$6,650 *	\$6,000
Description: This is the first step in our larger vision for this space. We would like to plant trees along the Aurora Bridge as a buffer from noise and pollution and to mulch the areas that recently had blackberries mowed to prevent them from returning.								
S09144	Central	Ruth	206 Universal Hip Hop Youth Summit	206 Universal	No	RSJ	\$26,660	\$15,000
Description: A youth driven summit centered around building community through Hip Hop cultural elements that bridge gaps along economic, ethnic, and intergenerational lines will be produced.. The vision will be focused around teen mentorship and empowerment with the desired outcome of neighborhoods being enhanced by the productivity of their teens.								
S09145	Southwest	Frankl	SW Expressions	Southwest Youth and Family Services	No	YVP	\$26,700 *	\$11,450
Description: The SW Expressions project will address Youth Violence in a fresh way. A holistic approach toward the youth will be taken. The targeted participants having risk factors related to violence or poor school performance will be provided A.R.T., Life Coaching and Expressions Live skills. The youth will create a video expression about their feelings, concerns and hopes around youth violence. During a celebration of completion, the community will be invited to watch the video and see how much the youth need and a place to have a voice.								
S09147	Central	Frankl	From Anger to Action	Seattle Young People's Project	No	YVP	\$8,118 *	\$14,900
Description: SYPP will conduct a youth-led action research process October 2009 through February 2010. The goal is to obtain feedback from 500 youth about violence, gentrification, and other issues that affect them; as well as insight about what they need from SYPP and other community resources in order to effect change.								
S09149	Southeast	Lopez	Empire Nights	Rainier Beach Community Empowerment Coalition	No	YVP	\$14,740	\$14,400
Description: Empire Nights (EN) is a young adult (ages 14-19) development project where arts (science) based events are organized. EN creates safe times/spaces for young adults in Rainier Valley to claim "as their own". Arts (sciences) such as spoken word, visual arts, music, social justice, and economics are shared and discussed.								
S09150	Ballard	Ames	Planting Partnerships on 14th Ave NW	East Ballard Community	No	CP	\$17,935 *	\$14,576
Description: Planters provided by SDOT will be installed in the medians along 14th Ave NW. The East Ballard Community Association will collaborate with local schools, businesses and neighbors to design, plant and maintain these planters, thereby deepening connections, fostering pride of ownership and instilling a sense of belonging in the community.								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09151	Southeast	Lopez	Be the Change Youth Violence Awareness Campaign	The Urban Family Center	No	YVP	\$12,630	\$12,150
Description: The goal of this project is to motivate, educate, and raise awareness on the issues concerning youth violence. We will accomplish this through training and engaging youth in leadership development through civic engagement, creative activism/advocacy and effective communication								
S09153	Southeast	Owens	Green Project, Phase II	Central House	No	YVP	\$13,500 *	\$15,000
Description: This project is focused on sustainability. We will continue our Green Project from last year, working with Franklin students to help their school and community toward making their homes more climate and environment friendly.								
S09154	Ballard	Ames	Sunset Substation Planning	Sunset Hill Community Club	No	CP	\$13,975	\$14,975
Description: The Sunset Substation, located at 3209 NW 65th, has been identified as vacant public land that could serve the neighborhood's need for open space. With professional and community input, a variety of potential uses will be explored for a multifunction park, including the opportunity to generate renewable energy.								
S09155	Greater Duwamish	Ames	Duwamish Alive!	People for Puget Sound	No	CP	\$21,915 *	\$10,000
Description: Duwamish Alive, entering its 5th year, celebrates the community spirit to engage in restoration of the environmental health of the Duwamish River and tributaries during twice yearly habitat restoration and community-building festivities. Duwamish Alive connects individuals and community organizations with the skills and leadership to restore urbanized areas.								
S09157	Central	Takekawa	Ocheami's Culture Club	Ocheami	No	YVP	\$9,775 *	\$15,000
Description: This project will build community through the medium of music. Culture Camp is a 5-month instrumental cultural music program for 10 youth from the Central District. Participants will receive group and individual drumming sessions, perform at schools and parks, Central Area Senior Center, perform service projects and assist with the design of the program.								
S09161	Southeast	Frankl	Seattle Southend Youth Pipeline to Success	Friends of Filstar	No	YVP	\$17,278 *	\$13,500
Description: This project will be an innovative new youth mentoring program that brings together various community groups for the purpose of preventing youth violence by providing youth with the space and opportunities to create a neighborhood with a bright future.								
S09164	Downtown	Ames	Alley Art	International Sustainability Institute	No	CP	\$32,175 *	\$15,000
Description: Alley Art uses neighborhood ideas and talent to create a green sustainable alley. Seattle steelmakers will craft panels that: hold garbage bags neatly for pickup, display green plants and exhibit artwork, including \$25,000 of glass produced locally for the project. A clean, green and art-filled space will make the alley a pedestrian magnet and increase Pioneer Square's walkability and								

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	Neighbrhd	Project	Match Amount	NMF Amount
S09165	Lake Union	Owens	Friends of McDonald School, Phase 2	Friends of McDonald School	No	PSP	\$60,555 *	\$14,999

Description: Phase 2 of our project will build on our successful Phase I effort to improve the grounds of an interim elementary school, adding an ADA-accessible ramp, and depending on community preferences, more play structures, game table, and/or landscaping and possibly painting a rusty wall beneath a fence and making minor asphalt repairs.
